Pearson, United States, 2017. Hardback. Condition: New. 5th ed. Language: English. Brand new Book. An audience-centered approach to public speaking in a concise reference format Revel(TM) A Concise Public Speaking Handbook emphasizes the importance of analyzing and considering the audience at every point in the speech-making process. Using a concise reference format that facilitates quick and easy access to key information, authors Steven and Susan Beebe present a balance of theory and practice to guide students on how to enhance their public speaking skills. By focusing student attention on the dynamics of diverse audiences, ethics, and communication apprehension, the text narrows the gap between the classroom and the real world. The Fifth Edition includes fresh examples throughout to ensure that content is relatable and engaging for students. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.
